## Sweets

Like everything else we make, our sweets use only the finest ingredients (local where possible)! Our custard is hand mixed, our cream is fresh from Fleurieu Milk (you will never find mock cream in any of our shops!!!) and the honey we use is so local, the bees could fly here themselves!! Because we bake fresh, your first choicee may be sold out for the day! We apologize to your tummy for any inconvenience caused, please choose another item instead - we are pretty confident in saying that you are going to love it!! The below sweet list will give you an idea of the range available, but this will change day to day & site to site. You can always ring your local HGB to see what's available today!

- ▽ Donuts
    - cinnamon \$3.50
